These are the findings of the study after the long efforts:

1 - Fatin's collection is considered as a reminder of the 19th century.

2 - Fatin's reminder is written by Fatin to be complete reminders of Salim and Safai. It is concerned with the poets and scientist who live from 1719–1854.

3 - Fatin's reminder is considered the last of poets reminders

4 - Fatin's collection is also the collection of the Hafiz Thabatuldin.

5 - Fatin lived in the organizing time but he wrote his collection in Otmanic.

6 - Shinasi, is one of these who write about the poet Fatin in addition to do his best to correct Fatin's collection again.
