Thesis Titel	Collocations in German and in Arabic on the basis of the prototypical examples of good, strong, weak, dead, kaput: An empirical contrastive study.			
Year	2011			
Abstract	<p>Collocations in German and in Arabic on the basis of the prototypical examples of good, strong, weak, dead, kaput: An empirical contrastive study.</p> <p>The aim of this study is to investigate and analyse german collocations including their types, selectional restrictions and their patterns on the basis of the prototypical examples of good, strong, weak, dead, kaput, and the counterparts of collocations in Arabic so as to arrive at points of similarity and difference between the two languages in this area for the purpose of translation.</p>
