e-mail			
Career	<input type="radio"/> Assistant Lecturer	<input type="radio"/> Lecturer	<input type="radio"/> Assistant Professor
	<input checked="" type="radio"/> Master	<input type="radio"/> PhD	
Thesis Title	<b>Drawing of the characters in the stories of Aharon Raobini</b>		
Year	1999 AD—1420 AH		
Abstract	<p>This study is an attempt to observe the relation between the Hebrew language and the other Semitic languages , because of their member ship to same linguistic family which have the common roots , the observation comes true by dealing with most important subjects which these languages include the infinitive.</p> <p>The study depends on the analytic comparison method for the roots and the verbs, and how to confirm the infinitive from these roots and verbs in the contexts and specific such as the texts (Leviticus book) or from other references which we have depended on in this study.</p> <p>Thus the incurred results appear the agreement of these languages in the phonetic changes of the conformed infinitives, and their differences in other times according to the positional and temporal elements which passed on these brother Semitic languages.</p>
