Thesis Title	<b>The image of women in the Old Testament Jewish and Agnon literature</b>		
Year	1997AD—1417 AH		
Abstract	<p>This thesis deals with the image of the Jewish woman in the old testament ,and in the novels and stories of modern Hebrew writers , such as:</p> <p>YEHUDA BURLU, DEVORA BARON, HAIM HAZAZ and, in particular SHAMUEL YOUSIF AGNON.</p> <p>YEHUDA BURLU expressed his attitude to Jewish woman in the eastern society. While DEVORA BARON dealt with Jewish woman in general, in her different position.</p> <p>We have concluded that there are two views on woman: the first one looks at the woman with respect, while the other belittles her value and position in the society. And we have noticed that most of the characters in the old testament and in the novels and stories of AGNON were stereotyped or not.</p>
