Thesis Title	LE HORS – LA- LOI DANS TROIS ROMANS DE BALZAC LE PERE GORIOT , ILLUSIONS PERDUES ET SPLENDEURS ET MISERES DES COURTISANES		
Year	2001 AH		
Abstract	<p>When Balzac examined society, he found out that there are two fundamental facts from which all other facts stemmed, there is no equality among various beings, and that the whole beings strive for prosperity. In the mankind kingdom as well as in the animal one, there is a rank – ladder where the weak is at its bottom and the strong is at its top whereby crushes the weak and devours the small.</p>
