Year	2014		
Abstract	<p>The study of the proper nouns forms an episode of the chain of the prevalent dialects. Proper nouns are a form of the accent in your age in which the speaker stopped by the colloquial speaking. Beside the standard language, it is a source of language. There is a basic rule which says that nothing exists without a name. the name of a person or a name becomes the very effect, but with less reality and more adoptability. In summary, this name forms the mental alternative.</p> <p>The most important books in the field of language and proper nouns is the book of Hussein Ali Mahfoudh, Abbas Kahdhim Murad, Ibraheem Al- Samarie, and George Continu, and the famous archaeologist and scholars of the ancient and Iraqi in particular.</p>
